# More Than a Glimmer of Hope

Romans 8:32

## GOD'S WORD

*He who did not spare His own Son, but gave Him up for us all—how will He not also, along with Him, graciously give us all things? (Romans 8:32)*

## FOR SHARING

1. An Austrian psychiatrist, Viktor Frankl, while a prisoner in Hitler's concentration camps, witnessed repeatedly the truth that man could survive almost anything, as long as he had a glimmer of hope.

The Christian has more than a hope that is "wishful thinking." He has hope that is an assurance God is in control. God provides for His people. Describe that hope. When has that hope been evident in your lives?

2. If God gave His Son to die for us, why do we not believe that He would also give us everything that we need? Would God go to such lengths only to abandon us when troubles come our way?

3. Knowing the promise of **Romans 8:32**, of what does God assure us as we meet together?

## PRAYER

O God, we have come to You  
to thank You for the promise of **Romans 8:32**;  
to ask Your forgiveness for...  
to receive Your guidance for...  
For Jesus' sake. Amen.

**Study 4**

Green, comes next in the acronym and is by far the most common color seen during the year.

*Lutheran Service Book* calls for its use during the seasons of Epiphany and Pentecost. The first Sunday following the first full moon after the vernal equinox (March 21), also known as Easter Sunday, determines the length of these two seasons.

The days of Epiphany may entail a total of, but not more than, eight Sundays. The season of Pentecost, on the other hand, can last from 22 to 28 Sundays. Green is the appointed color for all but a few of the Sundays during these seasons. Consequently, green may be used an average of six to eight months of any given liturgical year!

Epiphany's message of Christ's revelation to the Gentiles along with the season's traditional emphasis on extending Christ's kingdom through missions, calls for the use of green—the color symbolic of growth.

The Sundays following Pentecost, observed as “the time of the church,” share a somewhat similar theme as that of Epiphany. Affectionately called the season of the “green meadow,” no doubt due to the fact of green being the established color, these Sundays also emphasize the subject of growth.

Green is a neutral color, but there is nothing colorless about our need to grow and mature as disciples of Jesus Christ. That's why the “green meadow” time of the church year is so lengthy. Time must be given to encourage all worshipers to maintain their faith through the constant use of God's means of grace.

A helpful suggestion for congregations observing summer and fall months with one neutral color, would be to invest time and effort in obtaining several sets of green paraments. Variety and change in shades of this color would go a long way in keeping the season fresh and “green.” Changing the paraments every six weeks would complement the Sundays following Pentecost and their emphasis on personal faith that is living and growing.

## LAST DAY OF SUNDAY SCHOOL

Our last day of Sunday school was June 12th. Thanks to Ryan Paulsen, the children sang in church that Sunday.; Thy love singing with Ryan;. We met in the room and they wanted to ply with sidewalk chalk outside and to draw their pictures so everyone could see them. We all had our popsicles outside and then went back to the Sunday school room, where they could reach in the surprise box and pick out 3 prizes. I will definitely miss them this summer, but I will also be busy getting ready for this fall and starting Sunday school again.

**Triumphant Quartet Sound** August 7th to our church. Don't miss it. Mark it on your calendar today, come and enjoy and bring a friend. This outstanding group of men will be raising the roof at St. Matthew at 4 pm. Please come and enjoy an evening of wonderful Christian music.

Make a joyful noise to the Lord all the earth! **Serve** the Lord with gladness!
